ABOUT US

INTERIOR DESIGN COMPANY

In 2010, a small company was formed in Delhi with a little more than passion and the desire to add color to the INDIAN interior design.

Comprising of 3 Brothers and a humble corner office, a seed was planted which eventually grew to become the enterprise whose mission entailed beautifying the spaces we reside in whilst productively adding value to customer lifestyle in the process.

The SAI DESIGN CREATION portfolio includes executive offices, residential areas, schools, hospitals and banks, as well as Construction Projects. Our purpose is not limited to design though.

We are also involved in developing smarter office and living spaces – spaces that speak to us intelligently by making use of new technology. This is our contribution to a smarter planet. Changing homes and lives has never been more rewarding.

OUR MISSION

Expanding our reach to overseas markets by expanding our production & manpower capabilities. Setting quality benchmarks in the interior design industry in India.

OUR MISSION

Our vision is to become synonymous with contemporary and affordable interior design solutions in India.

Booth seating is a semi-enclosed style of seating that provides a group of people with somewhere comfortable to gather. Accompanied by a table this timeless combination is a different take on the standard table and chair arrangement. Rather it invites people to relax or focus given its privacy factor.

OUR THINKING

“Good design has to tell a story. It has to stop people, and it has to make them wonder.
Good design is a conversation”
